TO PRACTICE NURSING IN THE :	:

---

This matter was opened to the New Jersey State Board of Nursing (" Board") upon the filing of a Filing of a Final Order of Discipline entered on May 3, 2013, suspending respondent's

nursing license and imposing a \$200.00 civil penalty for respondent's failure to respond to a Board inquiry regarding an arrest on April 21, 2012 and/or failure to provide the Board with a valid address of record in violation of N.J.A.C. 13:45C-1.2, - 1.3, and N.J.A.C. 13:37-5.7.

Respondent has now provided the Board with the information requested in the original letters of inquiry, demonstrating that the charges against her had been dismissed, and documenting timely completion of continuing education requirements. Moreover, respondent explained that she had not received the mailings previously sent to her.

Accordingly, the Board finding that there is good cause for the entry of this order, and that reinstatement of respondent's nursing license is appropriate, and for other good cause shown;

IT IS on this *22<sup>nd</sup>* day of *November*, 2013

HEREBY ORDERED AND AGREED that:

1. Respondent's New Jersey license to practice nursing is hereby reinstated upon review and approval of a completed application for reinstatement along with the requisite fees, payment of the \$200.00 civil penalty imposed by the May 3, 2013 order, and provision of all required information.
